Instructions to Submit a Proposal
Via the **Oxford Abstracts** Platform

IPSA WiPS 2026

Link to submit a Proposal: https://app.oxfordabstracts.com/stages/81263/submitter

Step 1: Sign in or Sign Up to Oxford Abstracts

- If you have used Oxford Abstracts in the past, sign in using your credentials.
- If you're new to Oxford Abstracts, **sign up to Oxford Abstracts**

Screenshot for reference

  - **Sign up to Oxford Abstracts with e-mail** and create your user account.
    Or continue with Google or LinkedIn.

Screenshot for reference

    - Provide First Name, Last Name and Password.
    - Verify your e-mail and activate your account.
      Once your account is verified, you will be taken to the submission form.

Step 2: Submit a Proposal (complete the submission form)

Screenshot for reference

- Provide the work-in-progress paper proposal details:
  - Paper title
  - Panel abstract (250 words maximum)
  - Paper author(s) (full name, e-mail, institutional affiliation, country & gender)
  - Unit (selection limited to one unit)
- Acknowledge your availability at all times of the selected unit.
- Acknowledge attending all workshops of the selected unit and actively participating in the discussions.
- Click [SUBMIT]
