Link to submit a Paper: https://app.oxfordabstracts.com/stages/81058/submitter

Step 1: Sign in or Sign Up to Oxford Abstracts

- If you have used Oxford Abstracts in the past, sign in using your credentials.
- If you're new to Oxford Abstracts, **sign up to Oxford Abstracts**
  Screenshot: https://app.screencast.com/C1J5FoFvTBd4a
  - **Sign up to Oxford Abstracts with e-mail** and create your user account.
    Or continue with Google or LinkedIn.
    Screenshot: https://app.screencast.com/ATJR4hkIgLruk
    - Provide First Name, Last Name and Password.
    - Verify your e-mail and activate your account.
      Once your account is verified, you will be taken to the submission form.

Important: If you have been invited to submit a paper to a **closed panel**, please ensure that you submit your abstract using the **same email address to which the invitation was sent.** If a different email address is used, you will not be able to attach your paper to the panel.

Step 2: Submit a Paper (complete the submission form)
Screenshot: https://app.screencast.com/utVBcgob3sSbU

- Provide the Panel Details
  - Paper Title
  - Panel Abstract (300 words maximum)
  - Requested Track (thematic area)
    Select *Closed Panel, if you received an invitation to a closed panel.
  - Paper Author(s) (Full name, e-mail, gender, institution, and country)
  - Requested Track (thematic area)
- Select the Conference Proceedings Library Inclusion Preference.
- Acknowledge the In-Person Participation Format
- Click [SUBMIT]

Submission View
